

**Congratulations to Julie Bryant
CEO and Founder of Rancho BioSciences LLC**

**Most Influential Women in Technology 2021
By San Diego Business Journal**

*Thank you for leading an amazing group of scientists that save lives through data for
Pharma, Biotech, Government, Foundations and Hospitals internationally.*

*Rancho BioSciences provides data curation, data automation, workflows, pipelines
and bioinformatics analysis services. Ranchers are thought leaders and highly respected
in Life Sciences.*
